

The Buck Mountain Garden Club has, since 1981, supported various civic programs, activities, and organizations.

Thank you for taking the time to recommend making a donation to a favorite “cause”! Please provide the BMGC Leadership Team (via email) with solid information, so that your recommendation can be most efficiently shared and discussed with the membership before a vote is taken. A separate piece of paper can be used to include as much information as possible, including:

**-Name of Recipient/Program/Activity/Organization:**

**-Contact Information:** including at the minimum the **Name/Title and Phone Number of a Representative** who can give further information. When available, please include an **Email Address, Physical/Postal Addresses and Website URL.**

**-Description of Program/Activity/Organization:**

**-Recommended amount of donation:**

**-Is the donate one-time or recurring annually?**

**-Any further information you’d like to share** (such as why this is a favorite of yours, why the BMGC members should choose this over another option, etc.)

\*This guide was published in October 2025 by a subcommittee including Cory Carpenter, Sue Gosnell, Gayle Gutierrez, and Dee Walsh.

Feel free to update as needed!
